

The Level Green Presbyterian Church will be hosting a diaper collection drive on Saturday, May 13, from 10:00a.m. – 12:00p.m. in their parking lot. The drive-thru event will benefit the Western Pennsylvania Diaper Bank. The Western Pennsylvania Diaper Bank works to collect and distribute diapers to families in need. It is the region’s only diaper bank and last year served 12,000 families in communities across three counties, including Westmoreland.

The church is encouraging individuals, families, co-workers, community groups, and other local churches to join together with them to celebrate and honor all mothers on Mother’s Day weekend by making a donation that will greatly help a new Mom.

Diapers can be very expensive for new parents. They are not an item that’s covered by most assistance programs. 1 in 3 families struggle to be able to afford diapers for their babies.

All diaper sizes are being collected. Diapers in sizes 4/5/6 and pull ups for potty training are the most requested at the Diaper Bank. Boxes of baby wipes will also be collected. All donations of diapers and baby wipes must be unopened.

The Diaper Bank is also able to make purchases of diapers in bulk. Any monetary donations that are received at the collection drive will be given to the Diaper Bank for this purpose.

Anyone who is unable to make it to the collection drive event is also welcome to bring their donations to the church’s Mother’s Day worship services on Sunday, May 14 at 8:00a.m. & 10:30a.m.
