

A detailed mosaic illustration of the Nativity scene. The Virgin Mary is on the left, kneeling in prayer with her hands clasped. The infant Jesus lies in a manger, wrapped in swaddling clothes. To the right, a bearded man, likely Joseph, stands holding a staff. A donkey and an ox are visible behind the manger. A bright star shines from the sky, with rays of light descending. The background features architectural elements like columns and arches, all rendered in a mosaic style with various colors and textures.
