

Presbytery of Redstone

Communicate the Word...

Carry on the Work...

Change the World...Together!

September Gathering Highlights

- Every two years, we gather as a Presbytery at Pine Springs Camp. On site, we hear the stories of witness to encounters with Jesus Christ by young and old. Appreciative of the camp hospitality, presbyters enjoyed a great time of fellowship around the table.
- As a “community of witness,” we gathered in worship to our God in partnership with our siblings in South Sudan. Rev. Thomas Tut, Moderator of the South Sudan Presbyterian Evangelical Church, joined us and brought the Word of God in his message.
- **With the celebration of the 20th anniversary of this mission partnership with the church in Sudan and South Sudan, Redstone committed to its renewal through a covenant agreement signed by Executive Presbyter Skip Noftzger and Rev. Thomas Tut.**
- Mission displays from various congregations in our midst were shared for viewing by all. Presbyters were able to browse and learn of the ways God is leading our congregations to join in God’s mission in the world and in our local communities.
- **The Committee on Ministry introduced Rev. Danielle Kendig who was examined at a called meeting and ordained in August to begin service as a Covenant Pastor serving the Ebsenburg Presbyterian Church.**
- The Nominating Committee presented Rev. Owar Ojulu in nomination to serve as Vice Moderator in 2025. Election of the Vice Moderator will be at the November gathering. Teaching and Ruling elders were elected to serve on the standing committees of the presbytery for next year.
- **The Presbytery affirmed the need for churches to address the financial support of continuing pastors with a recommendation of a two percent increase in effective salary. With the possible changes in Board of Pensions costs, this was limited along with a decision to retain the minimum terms of call at the current level.**
- In memory of Recovery month, the Addictions Ministry network presented resources that were developed in Redstone for use in our congregations. Testimony to God’s grace in overcoming addictions was offered to the community.
