1. Leading/Facilitating *Into the Light: Finding Hope through Prayers of Lament*

Leader *Joyce MacKichan Walker*

Come and explore the 2020-21 Bible study and engage the scripture, the art, the music, the life situations that call us to lament, and the hope God offers us for all those situations. Prepare yourself as you also receive resources for preparing others to lead well alongside you.

2. Disaster Preparedness Leader Susan Mummert Join certified Disaster Preparedness trainers for an introduction to disaster preparedness. Talk about what disasters you might face and what you can do before they happen. Information will be available for personal family preparedness as well as your congregation preparedness. Topics included what to pack in an emergency box and how you can get training in your home area, and how you respond to a disaster. Handouts will be provided.

3. Title of Workshop: Young Adult Volunteer Program: A Year of Service for A Lifetime of Change

Leader *Destini Hodges*

This workshop will give a brief overview of the Young Adult Volunteer Program, one of many ministry areas of the Presbyterian Mission Agency. We will discuss who is called to be a YAV (young adult volunteer, where YAVs serve and what are the benefits of Presbyterian Women connecting to this awesome ministry.

4. Human Trafficking Leader *Grace Marable*

IT WILL PRESENT TIPS AND INFORMATION OF HOW HUMAN TRAFFICKING IS HAPPENING ALL AROUND US TODAY. IT WILL EXPLAIN WHY IT IS GROWING AT SUCH A LARGE RATE. IT WILL SHOW WAYS TO IDENTIFY VICTIMS, HOW TO REPORT IT, AND HOW TO HELP FIGHT AGAINST IT IN YOUR COMMUNITY AND AROUND THE WORLD.

5. Leadership *Susan Wonderland*
Nurturing the Nurturers.....

As we seek to fulfill Christ's call to service in our congregations and communities, one ministry that often gets left out is ministry to and care of our pastors- ordained, commissioned, installed or supply, there are ways that we might help our pastors care for themselves and be better

able to walk with us and others in ministry. Many times, we aren't even aware how much our pastors may need the helpful nudge of others walking with them to take time for appropriate self-care. And it looks different for each one.....

6. "Challenges Women in Poverty Face..."

Leader *Theresa Rodriguez*

Have you ever given up a meal so your children could eat that day? Join us for a discussion about the serious challenges women in poverty face daily and how you can provide the light and love of Christ to women in need.

7. Leaders: *Jyungin (Jenny) Lee* and *Martha Manning*.

Standing on the Shoulders of Empowered Women

In July 2019 Presbyterian Women participated in the USA Mission Experience. The theme, Standing on the Shoulders of Empowered Women was based on Gal. 5:1a "For freedom Christ has set us free. Stand Firm" We spent 10 days in the Finger Lakes Region of New York, an area known for being champions of women's rights and freedom. *JyungIn (Jenny) Lee*, Moderator of Presbyterian Women in the PCUSA Inc. and *Martha Manning*, Synod of the Trinity participant, will share some of their experiences and insights gained from spending time walking in the footsteps of courageous women of history. What better time than July 2020 to celebrate together the 100th anniversary of the 19th amendment, which granted women the right to vote.

8. There is a lovely Orthodox Christian Chapel, library and museum on site that will have guided tours available, or they can be seen during free time also.
