Reflections from the Executive Presbyter

"THE OLD/NEW NORMAL"

You have probably noticed the number of new "terms" that have come into common usage during these unusual times. They become part of our shared vocabulary and our shared experience even though we may not be in contact through physical presence and collective events. Only a few of these include:

- Flattening the Curve
- Zoombombing
- Contact Tracing
- Social distancing
- Community spread

Yet, my "favorite" among all of these and more is the phrase, the "new normal." A common assumption about this phrase is that there was a consistent way(s) of experiencing life (and church). Based upon our own personal experience, that might have been the case, but was hardly true in the Church in previous generations or around the world (it is another way of saying that I am accustomed to this way, so that is the way it is going to be). So, while the surrounding environment may have changed dramatically around us, we allowed ourselves to continue undeterred with our own practices and means undeterred. Then, along comes a pandemic. No longer immune from external realities nor able to ignore them, we have had to adjust and adapt to fulfill our core mission of who we are as the Church.

One of the key opportunities (yes, I said opportunities) of this change "forced" upon us in not only discovering new means of doing "old" things like distributing worship (Zoom, Facebook, YouTube, etc.), BUT also (hopefully) discerning, and using tools to BE the Church in fulfillment of our purpose and priorities. In fact, sometimes "subtraction"(removal) permits us to refocus. Many congregations have reconnected with each other that is intentional with Elders and Deacons leading the way (moving beyond just doing the "business" or programming of the church) but engaging in actual shepherding and compassion. No longer being able to rely upon the existing programs as proxies of fulfilling these roles, leadership within our congregations have "stepped up."

Consequently, as we consider this "new normal," I am encouraged that we might retain these practices going forward and that we would not return to the "normal." The reality is that this "new normal" (although using different means) appears to be a lot more like the "old normal"

based upon the "norms" of God's revelation in bringing the good news in congregations from Acts and moving forward. So, this Old/New Normal may just bring us back to Being the Church (albeit through new means).

United in Worship

Redstone Emergency Grants and Loans

IS YOUR CHURCH SUPPORTING A MINISTRY TO VULNERABLE PEOPLE THAT IS JEOPARDY OF NOT BEING SUSTAINED DURING THIS SEASON?

IS YOUR CHURCH DEVELOPING NEW OPPORTUNITIES FOR MINISTRY (BEYOND JUST MOVING YOUR NORMAL MINISTRIES ONLINE) THAT YOU COULD USE SEED MONEY FOR ASSISTANCE?

IS YOUR CHURCH STRUGGLING WITH CASH FLOW DIRECTLY RESULTING FROM ABSTAINING FROM IN-PERSON WORSHIP?

As we continue this need to adapt to doing ministry and mission during this season of change, many congregations may be wrestling with not only rapid changes in worship services and ministry programs, but also in the mission initiatives of the congregation. In this COVID-19 pandemic, we are required AND have the opportunity to serve God in faithfulness in new ways. As a Presbytery, we recognize that some of these transitions to different ways of doing ministry are not without costs during this period of virtual worship and potential drop offs in regular support.

Consequently, the Presbytery of Redstone will offer the following short term grant and loan programs in order to aid congregations without sufficient reserves to make some of these transitions in ministry.

>>Prior to the coronavirus outbreak and government mandated shutdowns, the Synod's Sales Tax Exemption renewal, which includes the churches and presbyteries under its umbrella, was being processed by the Department of Revenue. The Department of Revenue, which is currently closed, said all existing sales tax exemption certificate expiration dates are being extended by six months, meaning they will be valid through Sept. 30.

In the meantime, the state has issued an extension letter that can be used until new certificates are received. [It can be downloaded here.](#)

>>UPMC POLICY, PASTORAL CARE - The authorities of UPMC Healthcare have advised us that they consider ongoing access to spiritual and pastoral care as an essential part of patients' care. UPMC-employed chaplains continue to provide care on-site as usual, following standard precautions. Local church clergy and lay pastors are permitted on site to visit individuals from their churches. You are encouraged to exercise discretion on a case-by-case basis. All employees and visitors who enter UPMC facilities will be screened upon entry. If screening temporarily restricts you from entry, you are encouraged to identify an alternate person who may provide the needed pastoral visitation.
