Recently, the Internal Revenue Service and the U.S. Department of the Treasury announced that the issuance of monthly Child Tax Credit (CTC) payments would begin on July 15th. These payments are an advancement of the Child Tax Credit that is claimed on the income tax return. Eligible families will receive a payment of up to \$300 per month for each child under age 6 and up to \$250 per month for each child age 6 and above. As more information becomes available, it can be found on the Advance Child Tax Credit Payments page at <https://www.irs.gov/credits-deductions/advance-child-tax-credit-payments-in-2021> on [IRS.gov](https://www.irs.gov).

While most taxpayers will not be required to take any action to receive their payments, the IRS need wants to ensure more families that are not required to file taxes are aware of their eligibility for the payment. Non-filers can sign up at <https://www.irs.gov/credits-deductions/child-tax-credit-non-filer-sign-up-tool>.

Future Church Symposium online in 2021  
The Future Church Symposium 2021 is now available online and free. The world has been changing for a long time, seemingly faster and faster, but a global pandemic dropped the future in our front lawns. Join Dr. Reggie McNeal with Pastor Jordan Rimmer and Pastor

Chris Thomas as they unpack the changes going on in our world. These videos are short (11-33 minutes, with most being under 20) so that they can be used for personal study or with a group. They would be great for Sunday school, beginning a session meeting, a leadership retreat, or a pastor's gathering. Find all the resources by [clicking here](#).
